

## Athletics Application Instructions / Information

The Capital Lakefair Festival is held each year on the 3rd weekend of July. It is held on Wednesday - Sunday). We hope your athletic group is interested in being part of the festival activities and are ready to help us celebrate our Communities of Lacey, Olympia and Tumwater.

We must receive your Athletics Application Form, Proof of Insurance, and Waiver & Release From Liability Form (part A & B), and Addendum (part C) signed by the person in charge by April 1, 2011.

This early date insures your event will be included in the Lakefair advertising program and if appropriate included in our contract with Department of General Administration (event takes place on state property - Marathon Park, Sylvester Park or the Capitol Campus). All events taking place on state property during Lakefair contract dates must go through Lakefair to be included in the contract and not contact General Administration directly. Please feel free to contact the Lakefair Office via e-mail: [office@lakefair.org](mailto:office@lakefair.org) if you have any questions.

The Waiver & Release From Liability Form (part A & B) has an Addendum (part C) which addresses specific concerns with the possible pollutants in Capitol Lake and must be signed by anyone who takes part in activities around Capitol Lake.

Please return the following to the Lakefair Office by April 1, 2011:

Athletics Application

Proof of Insurance \_\_\_\_\_

Waiver & Release of Liability Form (part A & B), and Addendum (part C)

We look forward to your water or athletics group being a part of the Capital Lakefair festivities.
